

Let's Play!

Summer 2020

Our Let's Play Group is a sensory-motor playgroup for ages 5-8 that is guided by social-cognitive strategies to help kids practice and succeed in an organic play environment. We provide structured activities to introduce popular social learning concepts and child-directed activities to support cooperation, deepening friendships, perspective taking, and purposeful play. Please visit our website for more information about our groups and programs.

If your child has not been previously assessed by one of our Occupational Therapist, an initial screening (\$250) may be required to insure the group is well-matched with your child's needs and abilities.

Led by Megan Seto, MOT, OTR/L
